Size: approximately 8  $\frac{3}{4}$  " from neck edge to bottom and 8" wide

Materials: One skein of worsted weight cotton if you are using the bib for meals. If, on the other hand, you want to use it as a "drool" bib, I recommend using a superwash wool. The cotton has a tendency to absorb the moisture, whereas the superwash wool will wick the moisture and keep baby nice and dry! The bib pictured was done in Peaches & Crème in Gold.

Needles: Size 6

Gauge: 4.5 sts. per inch, not critical

Abbreviations:

k = knit

p = purl

sts. = stitches

dec. = decrease

dpn. = double pointed needle

When you reach the I-cords on the bib, it is helpful, but not necessary, to drop down a needle size to make the cords slightly tighter.

### **Shoulder Shaping:**

Row 69: k14, bind off the next 11 stitches knitwise, and knit remaining stitches.

You should have 14 sts. on each side. Place first 14 stitches on a holder and work on remaining 14 sts. as follows:

**Note:** As you look at the bib, this will be the **left** side.

Knit one row.

**All the decreases are made on right side rows. I have included a couple of tips below.**

(Right side) Dec. 1 st. at neck edge every other row 3 times. (11 sts.)

(**Tip:** I find it easiest to decrease these neck stitches by slipping the first stitch knitwise, then knitting the next stitch, and passing the slipped stitch over the knitted stitch. Because the cotton is heavy, it can be a little difficult to slip two stitches and then knit them together.)

Knit one row.

Dec. 1 st. at shoulder edge every other row until 5 sts. remain. (For these decreases, you should knit the last two stitches together.)

Knit one row.

(Right side) Dec. 1 st. at neck edge and 1 st. at shoulder edge. 3 sts.

Slip these 3 sts. to a dpn and work an I-cord for approximately 12 inches. Fasten off and run end down through middle of I-cord. Don't worry if the I-cords look a little wonky. A firm tug will usually straighten them out and after the bib is

washed, you won't even notice! A good tutorial for making the I-cords can be found here: <http://www.knittinghelp.com/videos/knitting-tips>

Join yarn to neck edge and work right side to correspond to the left side.

**(Tip for right side.** Join the yarn at the neck edge and knit across row. On the next row, decrease at the neck edge by knitting the last two stitches together. For the shoulder edge, decrease by slipping the first stitch knitwise, knitting the next stitch, and then passing the slipped stitch over the knitted stitch.)

Weave in ends.
